2022 ICF CANOE MARATHON WORLD CHAMPIONSHIPS

26 SEPT. TO 2 OCT.

PARACANOE

Welcome Message

Ponte de Lima, February 2, 2022

The Portuguese Canoe Federation along with the municipality of Ponte de Lima and the local Nautical Club would like to invite all national Federations(NF's) back to Portugal for one more canoe Marathon event, this time for the 2022 ICF Canoe Marathon World Championships taking place in Lima River, in the century village of Ponte de Lima.
After the success of 2017 hosted in this venue, the goal is to host the biggest and most memorable world championships to date in this magnificent place, that has growth along with this sport and discipline of Marathon for many years now.
With the level set by our own organizations in the recent past, we are making all efforts to receive all teams and theirs members with the best conditions at the venue and implement new standards into the discipline.
Our organizing committee is working hard with the International Canoe Federation to deliver a great show late September of 2022.
The task is big but our will is even bigger.
In Portugal we say we breed canoeing and canoe marathon runs in our veins, and that will be shown to all national Federations attending to this World Championships next year.
If you were in Ponte de Lima in 2017, be ready as we are setting up a new layout and location for this year.
This venue will also hold the Masters World Championships and there will be a separate bulletin for this matter to be published soon.

In the following document you will find information to help you plan your participation and provide a safe and fair event.

We hope we can count on you to attend this event, and we promise ... It will be memorable!
